“ *I'm so glad that I met Dennis in college and remained a friend who married my friend Linda. He was a great father and grandfather who truly loved his family. His smile is what I will always remember the most! Rest in your Heavenly home, Dennis. Nancye Fowlkes Brazil.*

“ *Dennis was an excellent example of a mentor who loved working with kids and doing things for and with young people. His face lit up with the thought of spending time with and pouring into young people. He leaves a void that will take a few people to try to fill, but it won't be as well done as Dennis did it. Truly a blessing and an inspiration.*
