“ One of my favorite memories of Devin was when we both were in Theater Dance class helping out and I did a bridge with my body. He then took my feet and tried to flip them over me and I ended up falling face first to the dance floor. No matter how painful it actually was, we both laughed until our sides hurt. To this day I will never forget how happy even in pain he made me. I will always love and miss him.##imported-begin##Aria Fleming##imported-end##

“ I learned about Devin from those who knew him. They shared what a kind, loving, sweet, passionate, and exuberant person he was. He touched people to the depth of their being. As a mom I am grateful for the gift he was in my daughter's life, and as a person I am grateful for the example he was to and in the world. My heart goes out to you in this time of tremendous loss.##imported-begin##Marykaye Bornbach##imported-end##
