“ *Diane and I spent many hours cracking each other up and also talking seriously during my years at GM. She didn't just help time pass when we were running around those hot test machines, she was a beautiful and kind person and she was wise and inspiring and changed my thinking in many ways.* ”

“ *My deepest sympathy to all in the family for the loss you have suffered. I am well acquainted with the the sorrow death brings and hope the family is comforted by these words: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." (Rev. 21: 4,5). Please accept this expression of warm sympathy.* ”
