“ *Dominique you were 1 person who was my true friend. Thanksgiving almost here and you were suppose to come eat with me and mom. I will always always have you in my heart and I'll always remember how you would light up when you saw me and vice versa. You were an uplifting person that always found the good in people. I know who you're with now and I will always remember your smile and your beautiful soul. I will truly miss you my soul sister!*

“ I had the pleasure of meeting Dominique before she began her work at House of Peace. Quite a bit of time had passed between her working at ACE Hardware and House of Peace, but her ability to light up a room with her joyful personality was something I could never forget and recognized instantly when I began my professional relationship with House of Peace. The world has lost such a kind spirit, it will be hard to imagine the House of Peace without her. I don't know what the afterlife is, or if there is one, but I know I can rest assured that Dominique is resting comfortably and at peace. May she look down on us all in the protective way those that had the pleasure of knowing her have come to be familiar with when entering the House of Peace. My heartfelt condolences go out to her biological family as well as her family at the House of Peace. I pray that we all find peace after this horrific loss.

China was my friend since 2000. Glenda introduced me to her. I fell in love with her loving personality and bright friendly smile. She was a bundle of fun. Always smiling 😊🥰💕. And those Chinese eyes. She spread love everywhere she went. All my kids were hers too and all my family knew and loved China. Rest peaceful my Sistah 😊💕

“ When I met this young lady, I thought she was loud and very annoying. Her voice carried through the Church as if she was the choir all by herself. After getting to know Dominique, I discovered she was a full of joy and life and had a different way to express it. She will be greatly missed by many and I am one of the few. Lord please keep your arms wrapped around Dominique's family at this time.
