“ I will miss my Mama until the end of my days. I am so glad that I was able to be there on her last day on Earth, holding her hand. I am so grateful for the way that she raised me and all that she taught me and has done for me.

I am also glad that she was around to see her first grandchild. She had been waiting to be a grandmother for years and she was so happy when her grandson was born. Baby Marty will never forget his grandma.
