“ *My dear and sweet Godmother. You were one of the most soft spoken Godly people that I have ever known. Whenever I would enter your home, call you on the phone or go on vacations together. You always were consistently Beautiful in many ways. You were the best Godmother that I could have ever had. You will be dearly missed in the flesh. See you later in heaven as I know that you are there. Thank you for being a pillar in my life.*
