“ I am so very sorry to learn about the death of your most precious loved one Dorothy. Please know that the time will come when we will see our loved ones again by means of the resurrection. JOhn5:8-29 I pray that the loving support of others will provide you with much needed comfort and support. How good to know that the time will come when all those who have died will live again by means of the resurrection. John5:28-29 What a wonderful time that will be! Do not let your hearts be troubled. Believe in the promises of God and find inner peace of mind and heart. Once again I am sorry for your loss!
