“ Earlene was a very good friend. At work she was warm, friendly and giving. We spent many a day talking about life and work while sharing snacks at lunch time. I'm going to miss her very much. Her favorite saying everyday I asked how are you, she would sleepy and then we would laugh! To her family I'm sorry for your loss because I know how much you loved her.

MARY BILLINGS - March 02, 2014 at 07:46 PM
