“ *Landon,
My heart is saddened by your loss and my thoughts and prayers are with you and your family. But always remember, to the outside world we all grow old - but not to brothers and sisters. They know each other as they always were. They know each other's hearts; share private family jokes; remember family feuds and secrets, family grief's and joys. They live outside the touch of time. May your memories give you peace and comfort.....Nancy Tucker*
