“ *Morning Edna's Family. Praying God will Carry you through. One of my favorite memories of Edna was when my dad was alive, she would purchase flowers to go in the flower pots on the outside, would come over 7:00 am to water them every morning, whether we were up or not. I also remember a story my daughter told me. When Edna would go into her hibernations that what I called them. The only person that she would respond to was my grandson Jace. He would walk upstairs knock on the door and say "Ms. Edna, it's Jace", she would ask her if she was ok, she would respond, Yes, and he would go back down stairs.*

If I can be of Assistance please let me know.
