“ Eddie was a special guy. I worked with him as a music therapist (he was one of my first clients!). I will fondly remember singing with him "He's got the whole world in his hands" and listening to Kenny Rogers songs. We always celebrated his birthday together at McDonalds! He will be missed.

“ Eddie will always be remembered in my heart. Eddie was a very sweet heart person. He loved YMCA by the Village people. Eddie had a special unique way of doing a shake with his head. I will miss Eddie calling my name really loud. Eddie we all loved you but God loved you more he knew it was getting hard so he told you that's it's alright you can come home 🏠 now and don't worry. R.I.P. Eddie the guy's are missing you.
