“ *I used to work with Eldridge. Was such a nice guy. So sad to hear of his passing. RIP Friend.*

“ *Feel no guilt in laughter, he'd know how much you care.  
Feel no sorrow in a smile that he is not here to share.  
You cannot grieve forever; he would not want you to.  
He'd hope that you could carry on the way you always do.  
So, talk about the good times and the way you showed you cared,  
The days you spent together, all the happiness you shared.  
Let memories surround you, a word someone may say  
Will suddenly recapture a time, an hour, a day,  
That brings him back as clearly as though he were still here,  
And fills you with the feeling that he is always near.  
For if you keep those moments, you will never be apart  
And he will live forever locked safely within your heart.*

“ *I'll Be Waiting for You*

*Although your heart may be broken,  
There's no need to weep for me.  
I'm in a wonderful place now,  
Where I'm happy and so carefree.*

*I had to go, but I've left behind  
Good memories to comfort you.  
Concentrate on the best times we had,  
And try not to feel so blue.*
