“ I Wish heaven had a phone so I could hear your voice again. I  
thought of you today, but that is nothing new. I thought about you  
yesterday, and days before that too. I think of you in silence, I often  
speak your name. All I have are memories and a picture in a frame.  
Your memory is a keepsake from which I'll never part.... God has  
you in his arms...I have you in my heart ~###imported-begin##Serita

“ *12 March 2009*

*My sisters and brothers we all must come together as we have suffered a great loss. Our mother was the glue that kept this family together. We must continue to love one another and cherish the memories of her that are stored in our hearts.*

*Due to health reasons, I am not able to be with you all. I feel at peace as you all should because the Lord knows best.*

*God bless you all.*

*Your sister,
