

Mr. Emerson S. Morray

December 27, 1948 - October 23, 2019

Emerson S. Morray, 70, gracefully returned to his marker on the 23rd of October 2019. He "vas born to the proud parents, Alhaji Morray and Ha,,;a Vandi in Largo, Kenema District, Sierra Leone, West Africa. With all his accomplishments in the United States of America, he never forgot where he came from!

Emerson died a loved man! Without a doubt, he was a man of unshakable integrity, unquestionable honesty and an inspiration to all who knew him. For Emerson, living meant always doing what was right, respecting people regardless of status in society, and serving his fellow human being in need. He was truly a devoted husband, loving father and caring man adored by all who knew him. To the world, he was Emerson S. Morray, but to his family, he was our world. His indomitable spirit encouraged us to persist in the face of adversity. His unwavering support was the wing beneath our wings that propelled us to many achievements. He taught us a simple lesson that selflessness (giving) trumps selfishness (receiving) every day. For that, we the children say thank you dad, you will be missed, but we will honor you in our memory every passing day!

Emerson was a respected accountant who graduated with a bachelor's degree in economics from the University of Wisconsin-Milwaukee. He worked for over 30 years as a property appraiser and tax assessor for the City of Milwaukee, until his retirement in 2010.

Emerson is survived by his loving wife of 45 years, Lorene Morray;

three children, Sedric, Boima and Salernatu, four grandchildren, Tremelle, Kalyn, Bash and Mariama, sisters, brothers, cousins, nephews, nieces and an extended family of relations and friends. The legacy of Emerson's kind spirit and zest for life will live on through his family!

Emerson had a wonderful life and thank you to all who shared in his life.
Rest in peace Emerson Morray, rest in perfect peace!!!
