“ I am so sorry for your loss. May you find comfort in the fact that God views death as an “enemy” and soon it “will be bought to nothing.” (1Cor. 15:26). God’s purpose for mankind to “live forever” in a paradise home on “the earth” (Psalms 37:29) free from sickness and death is soon to be realized. My deepest condolences.

“ Enoch was a really good leader and helped many urban youth make the transition from the asphalt junkie to the corporate one!! Early on he made it a point to help us understand the difference between aggressive and assertive and I have used this subtle distinction to go pretty far in my career. Our community is lessened by this loss, but forever enriched by his short time here!!!! EJ

I worked with Enoch many years ago at Jos. Schlitz Brewing. Over the years we ran into each other several times and caught up on our lives. Enoch was a true gentleman, never judged, always smiled, always saw the brighter side of everything. He loved people and he truly cared about everyone he ever met. He always wanted to make a difference. He will be missed by many. He touched many lives over the years.
