“ Bro-I'm so sorry to hear of Ernest passing He will be missed-I'm blessed I got to know him and wished he would have received his card & pictures I sent him. He would have loved the pictures. He will forever be in our hearts and be encouraged that he isn't sick or suffering anymore and he's keeping Granny and Daddy company. I will be praying for you and the family....Remember this isn't the end for Ernest-But This is His Eternity. I love you and if I could be there you know that I would.
