“ Hello to All,

My name is Kynesha and I had the pleasure of meeting Ernest's mom several years ago, when he gave me a promise ring. Me and Ernest meet, while we were working together at E. Silver Spring Jewel Osco AKA Pick N Save. Ernest was very special to me and a VERY good man. He has been there for me SO many times, even when we were not together. He was there for me when I lost my mother 5 years ago, but no he's gone my heart is really broken. It has been hard for me to wrap myself around the fact he is gone, but I can't imagine how his parents are feeling. May God bless your mind, body, and soul and get you by. If you need ANYTHING, or just to talk do please contact me. May God bless you and your family.##imported-begin##Kynesha##imported-end##

“ Ernest IV
My Dear Nephew, I will always remember us growing up together as kids just under 9 years apart. I remember seeing you in the hospital the day you entered the world, the songs we used to make up, and watching over you and your sister. We all will remember your Angel Face, Big Beautiful Eyes, Hearty Laughter, and Warm Smile. You loved good food, good friends, family, and GOD! May HE take care of you in Heaven. We are all trying to hold on. We are missing you Everyday and we love you!
