“ Mrs. O\’bee

The times that I got to spend with you when I was a child at The House of Peace were great! I remember when I was about 9 years old & you asked my cousins & I if we wanted to see where you worked at. We would do anything to get away from the House of Peace so of corse we all said "OK". We had no idea that you were connected with O\’Bee Funeral Home. We were sooo scared. You told us that we didn\’t have to be scared because we were with you. "Aunt Ernestine won\’t let anything or anyone get you". From that day on , you were Aunt Mrs. O\’Bee because we dare not call you By your first name. I thought you would NEVER leave. I guess God in His infanite wisdom was ready for you to come home. I will always love you Aunt Mrs.O\’Bee. I will never forget you!

“ Mrs. O\Bee made a difference in my life at the age of 12yrs old she sponseded me to a YWCA Camp in Wild Rose Wisconsin, Waushaha County Wisconsin, She and Ms Wendy Humpherys, the regional director for the YWCA, saw something in me at an early age, I help the families of Simon TolkenPhil Tolken Pontiac and many of the children of the children of Milwaukee\’s pacesetters find 10 weeks out of the year as a time for fun, happiness and cuultural diversity during the summers of the 70\’s at a place Called Camp TALALIKI, what a joyous time for me that was, a little black girl raised by a poor Grandmother who had little money but lot\’s of love. After Mrs O\Bee gave my grandfather, and my father their homegoing , she gave me a reason to live and enjoy life, I speht 5 glorious years up north. I became a camp counslor each and ever summer of my life I had a chance to believe in myself and plan for my future. I will miss Mrs. O\Bee with all my heart. God give you peace.
