To uncle Howard and the the children may the memories of aunt Eva be forever cherished by you all. One of my fondest memories is her washing and combing my sisters and my hair as little girls. I always remember us sharing the same birthday. Keeping you in my prayers. Love you.

“ *The Bible say, to be absent from the body, is to be present with the Lord. The name Eva means life in the Bible, and the life you lived speaks for its self. Giving, wonderful sense, loving, and a warm and caring heart was our Aunt Eva. We will always cherish your memories, and the wonderful love that you gave. Rest In Peace and always remember we love you today, tomorrow and forever... The children of your sister, the late Audrey Lee Ector*

“ *I have so many fond memories of my Aunt Eva. I was always Tish Tash when it came to her. The many summers that I spent with her and her family in Milwaukee. I love you and I know in my heart of hearts that you and my mother are looking down on us and keeping watch over us. Kiss my momma and tell her I love her. Take your rest and love you always*
