“ I lived with Francine as a room mate probably 11 years ago. She was very generous in doing this, as it was my first experience of being out in the real world. She helped me to learn how to be responsible for bills. And also to be a responsible adult. I was very Sorry to hear of Francine's sudden passing. She will be missed, but in the meantime- I will have to wait for a little while before I see her again in good health. ##imported-begin##DeAnna W##imported-end##

“ We loved Francine's loyalty to Jehovah God... and her boldness in the ministry. Her hospitality was outstanding. We look forward to seeing her in the resurrection - healthy and sassy. Howard and Nancy Lovejoy. ##imported-begin##Nancy Lovejoy##imported-end##
