“ I was saddened to hear of Frank's passing. I worked with Frank in the district attorney's office in Milwaukee when he was assigned there as a deputy sheriff investigator. Frank was a delightful person to work with, very professional and a skilled investigator. His sense of humor and good cheer could lighten up difficult situations. I enjoyed working with him very much. He was a good man. He will be missed.

“ I regret not seeing him one last time, I was going to visit him this fall. He was more than an Uncle to me, he was a role model. Frank lived with us for nearly a year, he was the first person I ever saw shaving, his hair he worked on it until it perfect, and him smoking Kool's. When I joined the Army, I wanted to become a Military Policeman because of him. I thought my uncle was so cool , always made me smile My uncle Frank will never be gone.
