“ I only just recently heard of Fred’s passing. He introduced me to musky fishing and muskies inc. we shared a boat many times. Didn’t catch much but we tried. Fred and Gus and I were fishing for muskies on spider lake once... well, Fred and I were musky fishing but Gus kept trying to catch crappies with another line. Irritated the crap out of Fred. “You’re gonna lose a musky if you keep messing with that other rod!” It didn’t phase Gus. He just kept trying. It was a great day of not catching anything.
My heart goes out to Amy and everyone he left behind.
