“ *Life Well Lived*
A life well lived is a precious gift
Of hope and strength and grace,
From someone who has made our world
A brighter, better place
It's filled with moments, sweet and sad
With smiles and sometimes tears,
With friendships formed and good times shared
And laughter through the years.
A life well lived is a legacy
Of joy and pride and pleasure,
A living, lasting memory
Our grateful hearts will treasure.

“ To Heddy, Erica and Brian.. May God give each of you the comfort you need during this time of transition for my beloved brother Green Dwight Hamilton. I am sure there will be moments of disbelief and yes times of hard felt emotions. Know this God never places more on us than we can bear. God is our truth, dream keeper and most holy One. Please know Dwight was a great man. Even though he is absent from the body, he is definitely presence with the Lord. I know he is in heaven, playing the piano, laughing and having the time of his life. Dwight will be missed, but I get my joy in knowing I will see him again. He would not come back if he could. Dwight, I love you take care my Brother rest in peace. Family, remember the good times and honor his legacy. Love you all Henry, Jacqueline, Kimberly, Kendrick, Konic and Khai.

“ I will forever remember our last conversation, as one of your sisters, you will truly be missed. You didn't call much, but you always had a lot to say. Thanks for making the trip to NY to see our Michael. This is what he said concerning you. ::::

MY UNCLE WAS A BRILLANT MUSICIAN,ARRANGER,SINGER, AND CHORAL DIRECTOR. I saw him when he came to see my musical "A Strange Loop" he was a very friendly, sweet man who many in my family say we resembled in part because we both gravitated toward music. I got to spend some time with him and he expressed how proud he was of me and my accomplishments and how much he loved my show. I am very saddened by his passing, I love you my uncle. May you Rest In Peace. " Michael"

With deepest sympathy From the Detroit Family----- Henry, Mary ,Hank & Irie.
