“ My birthday is 2 days before Glenn's. We were in the same grade at Rufus King. I even worked with him for a little while at Pick N' Save on E Lyon. I moved from Milwaukee in '13, but always missed talking to Glenn. I was shocked to hear that he had passed. I'm just now getting around to paying my respect, but I'm sure his family and friends will agree it's never too late. I remember when we were teenagers he loved Too \$hort, we'd be rapping in the parking lot at work. He was a great person and good friend. Smart, friendly, and just an awesome person to talk about life with. Life truly is too short. Until we meet again friend.
