“ To Gloria's family my deepest sympathy on the loss of your mother and sister. Through all the trials we experienced with Gloria, we loved her in spite of it. She was a child of God through it all, and I believe she is with Him now Keep your faith in God and know you will see her one day. God bless all of you.

“ I was one of Gloria's case managers from Community Care. She was very popular with the other members and the staff. I will always remember her good sense of humour, her honesty and some of the stories she shared. She loved life to the fullest. She enjoyed music and dancing. One day when we had entertainment at our Fond du lac Site, she asked me to dance with her. I was embarrassed at first, but found myself having fun and I know that moment was important to her. She was happy at that home in Kenosha. She said that she found herself at peace there. May she rest in peace and I hope that her family remember what a kind and loving person she was.##imported-begin##Karen Martinsen##imported-end##
