“ Greg was my favorite uncle. He always gave me great advice and was like a second father to me. He always sent me prayers and scriptures to read to help me every Monday morning. He even use to get on me about working so much and missing out on everything 😭. I know he’s watching over us all just as he was while he was still physically amongst us. I miss you Unc and I love you!

“ Our prayers go out to Roz, the girls, Martha, and the entire Davis family. We have known Greg for a number of years. He was a wonderful Christian and a great human being. He was always willing to go above and beyond to help out in any way he could. He also had a wonderful sense of humor and was so much fun to be around. There was never a time I did not see him smiling or not having a good day. He loved life and he will be greatly missed. Vernal Jr., Roz, and Faith Britton
