“ A Jeffrey LaValley lit a candle in memory of Mr. Gus Doss

A Jeffrey LaValley - December 03, 2019 at 10:33 AM

“ Gus & I were gym buddies for many years. Both of us were secondary education administrators. I have many fond memories recalling stories of our careers/work life and how we handled moving into our "golden years". I'm so very sorry that his friends and family have lost such an icon.

Mr. Doss was my gym teacher at Roosevelt Junior High School. He was an awesome Phy Ed teacher. I am saddened to learn of his passing at this late date. I would have loved to have shared with him how he helped influence the young boy then who has become the successful man I am today.
