“ My condolences go out to the family. My prayer is that you find comfort during this time. Trust in the Lord and lean on Him. Cry when you need to but follow it up with a good laugh. Laughter doeth good like a medicine. Proverbs 17:22 Reflect on the times you had with her and keep those close to your heart. Make sure you pass something down that she did to the next generation. I remember her calling Dad Tuffy for his birthday every year. I'm striving to do that with my niece, nephews, cousins, aunts and uncles and that will be a piece of Aunt Hazel that I will pass down to my girls.

Prayerfully submitted,

-Roxanne
