“ *Don't ask question of why? No one's meant to live forever! This child was taken early by God! Let not your heart be troubled because God gave this child relief - safe in the arms of the Lord! Rejoice for this soul is saved! Remember we all have to leave this world; in order to enter the Kingdom Of Heaven! Its never to early - but for some to late! Bless to members of this beloved child family! May they find peace in knowing this child rest in the safe arms of Jesus Christ!*

Rest Little One In Peace!
