“ We never were the type to be at a lost for words even though our silent demeanor may suggest otherwise. Yet I find myself unable to translate what's in my heart into actual words. I'm going to miss that stone cold cynical p.o.v and the countless hours we spent debating all things imagineable. And as I remember came out on top majority of the times Im sure u would beg to differ, with reason of course but i'm the writer. I dont know if this is appropriate but I needed to talk to u one more time. We had wobbly journey but I would do it all again just to go thru it with u brah. You were a true friend; loyal and honest. I'm really gone miss you. Thanks for the great memories friend and I will see you when I get there.##imported-begin##Audres Jackson##imported-end##
