“ James, Uncle, Father, Son, Brother you left us too early. Your spirit will always be with me. You have now moved on to a better place, a place where you will have no more pain. I'm always remembering the good times shared at Grandma's and the life energy that followed you, wherever you went. You lived life to the fullest, you were always kind and considerate. I will miss you Uncle!##imported-begin##Paris Wright##imported-end##

“ Dad I miss you more than ever I am glad to have been there to hold your hand as you crossed over, there were so many more things I wished we could have talked about but I guess I have to let that go but one thing I do know is that I love you so very much. I promise to try and take care of things here the best way I know how until we meet again.##imported-begin##Devin Nevels##imported-end##
