“ *Irby was one of the most happy go lucky people I have ever met. Some days I could go to work and Irby could tell I was having a bad day and he would have something funny and uplifting to say with a big smile on his face. I only hope I will be able to impact people when I am Irby's age as much as he did. He was dedicated, true, and believed he could do anything. What a hole in our hearts we will have now that he is no longer with us. I know I speak for everyone at Home Depot when I say we loved him and respected him. My only regret is that I didn't get to know him longer. However, just to walk in the store and see that happy face made everything better. I'll miss you Mr Irby, and I'll keep a smile on my face just for you. May God keep you under his wings, because you are truly a special angel. God Bless You always.....*
