“ Our deep sincere condolences are extended to the family. We really loved Jan and appreciate her long friendship. It seems unfair sometimes when God intervene in our earthly lives but in this case we do know Jan was ready for her new life. She was so faithful in her love for God and other people. I will continue to pray Gods strength be with your family. Just remember that It was well with Jan's soul when she went home. IOVE MRS WELCH###imported-begin##Robin Welch##imported-end##
