“ Mom I miss you so much. I cry several times a day. The tears won't stop. Nobody and I mean nobody in my life understand what I am going through. I have no support system. One thing about your death is I learned a lot about the people around me. I didn't just lose you. I lost an entire family. My life will never be the same. I can't wait to join you. I hope it's soon. I can't take this pain. My body aches for one more hug
