“ I am very saddened by my cousin's death. I have known Jeff since I was a little girl. My mother lived with Aunt Helen and her mother when they were very young women working at Wright Patterson airbase as secretaries. Jeff and I have kept in touch over the years. I was working for Union Carbide on a special project where I was in Detroit for 2 months. Jeff and Glenda took me under there wings and were so supportive during my stay in Detroit. My cousin has always been a stand-up kind of guy of good character who loved the Lord and his family. Jeff gave up a very lucrative career with GM to go into the ministry because his calling was to serve the Lord. I spoke with Jeff about 3 weeks prior to his death. He always uplifting. He would keep me laughing; just a precious spirit who I love. I can see Jeff's smile as I am writing this message. He will be sorely missed but I know his story does not end here because Jeff knew the Lord. My condolences to Christopher, Jonathan and Carolyn. R.I.P Jeff.
