“ *The love, care and concern Joan showed my family was always amazing throughout the years. The grandchildren always appreciated her thoughtfulness and my children. Her insight could be funny and we would crack up at so many things because she could just make you laugh. Many memories, some ups and downs but we always landed on our feet. No more pain, No more suffering, No more disappointment. Celebrating her Birthday was simply the BEST! God's Grace and Comfort to you all. She went to sleep in God's arms quietly as she wanted.*
Blessings,
Karen
