“Daddy, this is Jackie, I miss you so very much. I know you are in heaven with God, but that doesn't make it any easier for me." I want my daddy". My mind is so confused. I see your face in every thing I do. I will forever miss and love you for the rest of my life. Good-bye daddy, rest in peace.

Love your daughter,

“ To Shuron, Felishia, Jackie, Angie, Cassandra and Theresa-

I am so sorry for your lost. I know how much your dad meant to all you. I would always joke with Mac about being the dark daughter. I'm going to miss him too. I want you all to know that with prayer and God all things are possible. You have to be strong for each other. We will get though this together. I love you all.
