“ Big Brother, it's been awhile since you were here and now you are walking with the angels; but I know your spirit will always be with us. We know that you are cracking everyone up in heaven; rest well big brother no more suffering; no more pain. Heavenly Father; take care of our brother we love him Amen. Mamma Lynn

You were gone before we knew it,  
and only God knows why.  
A million times we will miss you.  
A million times we will cry.  
If love alone could have saved you,  
You never would have died.  
In life we loved you dearly.  
In death we love you still.  
In our hearts you hold a place,  
no one else can fill.  
It broke our hearts to lose you,  
but you didn't go alone.
