*I just accidently came across this obituary and did not know John had passed away. I truly cared for both John and Estelle Thrower. They were excellent parents, grandparents and a great couple overall. I had lost touch with them much to my regret. Rest easy John.*

“ I send my love, my hugs, my condolences and my prayers to Keith and Khadijah, and to the entire Thrower family, who is my family from the heartline. I want to thank God for allowing your dad to bring life to you, so that you could bring love to me! I will be keeping you in prayer as you celebrate his love and learn to live with him in your heart alone. Love you!
