“ *My condolences to the family of Mrs. Brookshire. I was one of the nurses that took care of Mrs. Brookshire @ Silversping care center, and I'm going to miss her dearly, we laughed when I told her she was going to get the facility shut down because she wouldn't let us care for her. I often asked her if I could clean her nails and cut them she didn't want me to but I did and she didn't mind as long as I didn't hurt her, I told her I wouldn't, she was ok . Im very sorry for your loss. I miss my girl. Stephanie Anderson*
