“ I just want to say my deepest sympathies to Joyce’s family. Joyce and I worked at GE together, and she was my “OFFICE mom.” Today I thought about her for about the 100th time, and I miss her dearly. RIP choice. See you soon! Love you and miss you.

“ Dear Ones:

Ms. Joyce Duhart shared her beautiful smile and spirit with everyone she met. After joining Calvary Baptist Church, Ms. Duhart found her ministry volunteering in the church office where she assisted with the church bulletin. Following retirement, she was in the office almost as regularly as the staff.

A stylish dresser, I will treasure the memory of seeing Ms. Duhart wearing caps which matched her outfits. Throughout her challenge with illness, her loving daughter Cheryl made sure Sis. Duhart continued to dress in her Sunday best!

May the Lord bless and comfort the entire Harvey and Brown families as they honor the life of their matriarch, Ms. Joyce Duhart.

*Blessings,
Don and Sheri Pannell*

Joyce was my office mom in the 1980s at general electric medical systems. If not for her, I would never have had the life I did. She mentioned me, guided me, and yelled at me when I needed it 😂 I haven't seen her for decades, but I missed her every year of it. Rest in peace my friend. Until we meet again...
