“ Elizabeth, you have my blessings always and during these times. I am asking God to place his search light on you and your family to penetrate your spirit and expose all that love that you have for one another. I pray that the holy spirit directs you and illuminate your mind. The eyes of understanding are being enlightened through you. Please continue to be spirit conscious and listen to the voice of the Holy Spirit which dominates you.

I love you and your family. Please know that. Peace!
