“ My thoughts & prayers go out to his Dad and the rest of his family & friends. Justin & his Dad came to our support group meetings after Justins Mom passed away. Justin and his Mom had Ehlers-Danlos Syndrome(EDS), Vascular Type. If you would like to learn more about Ehlers Danlos Syndrome go to www.ehlersdanlosnetwork.org. I'm the Founder/President of this foundation which I started after I stopped running the support group that Justin would come to. I started Ehlers-Danlos Syndrome Network CARES foundation because we needed more research for this disease. We have started 3 research project since this foundation started 9 years ago. Our foundation is run by all volunteers. 100% of the money goes to research.

Justin was such a sweet young man that passed away from a terrible disease, way too young. I will never forget Justin.

I would love to talk with Justins Dad....please call me 262-514-2851 or 262-389-6944

My prayers are with you,
Lynn Sanders

“ Most of my memories of Justin are from when he was a baby/toddler. My fondest of his childhood is when his mom would pick him up (I would babysit) and they would sit next to each other on my couch and Justin would play with his mom's hair with one hand and suck two of his fingers on the other hand. Justin was always a wonderful kid and would love to sing. Spread your wings and sing little angel. Love and miss you.
