“ *The Phillips Family: I had the opportunity to watch your little angel grow up to become a beautiful young woman. I will remember her with the smile she has on the picture on my wall, or when she stopped by my house. May God keep and comfort you with the wonderful memories and Love she left with you in your heart. We all will miss Keena. “ To the Phillip Family,

You have my deepest sympathy.

I have known Keena since she was a tiny girl. I watched her grow into such a beautiful young lady. Keena was so bright and friendly.

To me Keena and all the other kids were just like my own children. I watched them double dutch, ride their bikes, and just have fun. She always had a big smile every time I saw her. I and my family loved Keena. Sharon, T.T Terrence and our entire family send their love to you and the family.

With our sincere sympathy
