“ My Auntie Kim was the light of any situations. She turned anything bad into humor and lots of laughter. I enjoyed every moment with her and the name she named me. Auntie Kim was one of my rocks and pillow for me in many times of healing. She was loved by her family and friends and many others.

“ Lol it's not about how messed up the pictures are it's about that night and the memories , the laughs , the smiles that we all shared during those photos & who was the cause Auntie Kim as always bringing light to any dim or sad situation. So don't be sad because she wouldn't want us to be , she'd be here talking crazy right now asking where her 7,000 coat at 😭😭 . We love you dearly & you will truly be missed , it was too soon nobodies ready to say goodbye to your beautiful and lit soul . But we know that it was just that time and that you're finally home and at peace and that eases our minds just a bit . Rest peacefully our beautiful black queen ❤️ You held all of us in your arms when we needed you we'll always keep your name alive & LITT
