

## Miss Krystal Marie Holder

September 18, 1989 - May 23, 2015

Krystal Marie Holder was born September 18, 1989 in Milwaukee, Wisconsin to her loving parents, Alicia Marie Holder and Steven Michael Brooks. Krystal received her formal education in the Milwaukee Public School system. Krystal accepted Christ at the age of 21 and was united with Great Faith Progressive Missionary Baptist Church where she served as a member.

Krystal known by many was the person that always had a smile on her face. She'd brought joy to those around her because she was the type of person that always had people back. Growing up, she was the one who would stand behind you and said "Yeah, Yeah ", agreeing with every word one would say. Krystal kept this mannerism throughout her life by being a loyal and a faithful family member and friend; standing behind each of them supporting and ready to take on any challenges that they would face together.

Most importantly, Krystal's pride and joy was her one and only begotten son, Dinero Jose Lamont Powells. She'd loved and comforted her child and was a hard dedicated worker to provide him with the necessities as well as his wants. Krystal also had a love for music which many of us recently discovered. She was a rapper who'd expressed her personal trials and tribulations through her lyrical verses. If she would have had a chance to lyrically recite her last song, it would have consisted of words that would let the world know she was a person who loved to have

fun, laugh and unite with family.

Krystal departed her mortal life and started celebrating with the Lord on May 23, 2015. She was preceded in death by her maternal grandparents, Scott and Marie Williams, Ben and Annie M. Bufkin, George Holder and paternal grandparents: RL Shelton and Christine Brooks. As well as her cousin, Prentice L. Ross; and best friend, Paul (Pablo) Gayle. She'd departed the world with her loving friend, DeShon Tyler.

She leaves to cherish her memory to her parents: Steven Michael Brooks and Alicia Marie Holder; Grandparents: Lyndia Bufkin and Sonny (Donna) Bufkin; One son: Dinero Jose Lamont Powells; Five sisters: Kapri Holder, Tracellar Woods, Myeishaa Johnson, Jessca Brooks, and Manickquaa Brooks; Two brothers: Michael Brooks and Jamarr Brooks.

She also leaves to cherish her memories to her aunts: Lavina (Bennie) Mosley and "Other Mother" Michelle Bufkin and uncle, Abwhitt Bufkin, Jr. But most importantly, she leaves her memories to cherish to her "Ride or Die" cousins: LaVohn Carter, Quincy Bufkin, Timothy & Terrance Wilburn, Dejonney Weaver, Shania Bryson and Rajai Bryson (Lil' Bra). As well as her son's grandmother, Faye Powells and her son's father, Jose Powells. And to a host of loving aunts, uncles, nieces, nephews, cousins, other relatives and many best and dear friends.
