“ *It is with extreme sadness that I send this message in memory of "Pete," Lamark Jackson. I offer my sincere condolences to the family and a special condolence with a hug to my niece Rozena "Nate" who was with her love for over 30 years. I can't imagine your grief as I know you are still in disbelief that he is gone. Know that he has gone home to a better place and hopefully to live forever after, and know that you will meet again. Again, words cannot express how sorry I am to you and to the rest of his family for the loss of your loved one. You have my continued prayers, I pray you comfort each other during this difficult time. May you rest in the arms of the Lord, "Pete". I will miss you saying my name before every sentence when we would talk on the phone.*

Your Auntie Mim and Uncle JE. or "JD" as you called him.
