“ *Our family is so sorry for the loss of Min. Boykin. He taught our two sons in Sunday School when we lived in Wisconsin 10 years ago. We often share with each other how Bro. Boykin would make sure each student stated what they learned in class each Sunday and he required that they speak directly into the microphone (smile.) Our sons are great public speakers now because of what they learned to do at an early age in Bro. Boykin's class. We really appreciated his love for and dedication to the Lord and his students! Rest well Bro. Boykin!*
