“ *Cousin/Auntie Lottie always loved my sisters and I like her own “girls”. I loved coming on 10th St as a little girl for family gatherings and going upstairs to Lottie house to watch TV. Thank you fo all the love you gave me my entire life. Kiss my Granny, and all the rest of the family for me. Dance with Twinkle Toes (Uncle Willie) and you will forever be missed by me.*

“ *Mama Lottie will always be my big sister/ cousin. I wish she could throw a shoe at me or tell someone who I said was messing with me that she will dot their eye. Now she is dancing with her daddy, cooking with her mother, laughing with her sisters, and kissing her aunts, grandparents, great grandparents and her many other relatives and friends in her heavenly home. RIP 🙏🙏🙏 (smooches)* . From one of the "bad kids" Deanna
