“ I met Lauren through my BFF Jami, and she's always been a beacon of light! Lauren was a prayer warrior, and had nothing but kind and inspirational words whenever I saw her. To know Lauren was to love her! She gave great hugs, and always let you know that she loved you! I'm glad my last words to her was that I loved her. Lauren became my family! I am going to miss my little sister! I'm going to miss her smile! I'm going to miss yelling, "LAAAAUUURREENN" whenever I saw her. I send my condolences to her entire family. May God's comfort and strength carry us through.
